STUDENT EVALUATION REPORT

Completion of this evaluation is required of:
   a. any PMA major in the College of Arts and Sciences who worked with or through PMA and/or Cornell in Hollywood to receive their internship,
   b. any PMA major in the College of Arts and Sciences wishing to receive academic credit,

If you wish to receive academic credit for your internship, the completed evaluation report will be used by the PMA Internship Faculty Advisor in assessing the eligibility of the internship experience for academic credit.

Your experiences are instrumental to helping other students make informed choices about where and how to seek internships. Information provided in this report may be used by PMA to publicize the internship program and may be shared with other Cornell students looking for internships in film, television, and the media. Personally identifying data will be removed from information used in this way.

Please submit your completed evaluation report to PMA Faculty Advisor Professor Austin Bunn Austin.bunn@cornell.edu no later than September 1.

For questions about completing this evaluation report you may contact Judy Virgilio, PMA Sr. Dept. Manager, jav4@cornell.edu.

PART I: STUDENT AND COMPANY INFORMATION

Your Name/Email:
Graduation Year and Major:
Internship Company Name:
Company Address:
Name of Company Supervisor & Email:
Start & End Dates of Internship:

PART II: THE INTERNSHIP

1. How did you find out about this internship?
2. What was the application process like? (Who did you apply to? When did you hear? Did they do an interview? What questions did they ask?)

3. What do you think made you a good candidate for this internship?

4. What was your job or role at your host company? Please explain in detail.

5. Was this a good place work? Who did you work for/with?

6. What was the most rewarding part of your internship?

7. What is your primary field of interest within the entertainment industry? Did your internship fulfill this interest?

8. Do you think the internship experience benefited your career objectives? If yes, what were the
benefits? If there were little or no benefits, what were the reasons for this?

9. Would you recommend this internship company to another Cornell student? Why or why not?

Part III: Internship Location / General

10. Where did you live and how did you find housing?

11. Is there anything you wish you’d known before doing this internship?

12. Please share anything else about your internship experience that you think might be useful to other students considering an internship.
